INDIVIDUAL ACCOMPLISHMENTS of note by SSC players since 1970

1970-71 A freshman sensation named Jane Fontaine followed Manis' footsteps as SSC scoring threat, breaking every scoring record in the book to lead the Lady Gulls with 244 points, and 16.3 scoring average. However, SSC suffered their first losing season in over 17 years, despite making it into regional play. Fontaine transferred to West Chester State in 1971-72, and later earned All-American status.

1973-77 A freshman named named Gail Tatterson began to emerge as SSC's new scoring leader, becoming the third player in the school's history to break 200 points/season. In four years, Tatterson would score 1193 points, leading the She Gulls in scoring in 48 contests. Her 16.4 lifetime scoring average has only been surpassed by one player, and her 505 points scored, and 395 rebounds in 1976-77 has stood intact. Tatterson is the only SSC player to score more than 200 points/season for four consecutive years (201, 214, 248, 505). Tatterson scored more than 25 points/game in nine games during her career, including a 37 and 38 point performances her senior year. Tatterson almost single handedly upset the University of Maryland in 1975-76, scoring 32 points in a close 72-71 loss in Tawes Gym. Tatterson was also the first SSC player ever to average more than 20 points per game in one season (20.2).

1974-75 SSC used 24 players in a 109-12 scoring romp over Coppin State in their season opener.

1975-76 Freshman Debbie Stewart, playing in the shadow of Gail Tatterson, outrebounded the Gull scoring star with 185 rebounds (Tatterson had 172), and became the first SSC player to score over 200 points (236) who did not lead the team in scoring. Stewart transferred to the University of Maryland for the 1976-77 season, and helped lead the Terps over SSC and Gail Tatterson.

1976-77 Five SSC players finished the season with over 100 points for the first time in the school's history. Led by Tatterson's 505 points, Terry Neville (234), Margie Knight (227), Diane Stahl (185), and Tina Santos (137) followed suit as the She Gulls scored 1653 team points, averaging 66.1 points per game. SSC garnered over 1500 rebounds, led by Tatterson's 395 and Neville's 208 caroms. Guard Janet Dumay sparked the She Gull front court with 74 assists, and 64 steals.

1975-78 Another mainstay of the SSC scoring line was Margie Knight. Knight played role of ironman, playing in 83 SSC contests, and scoring 704 points in the process, plus leading all-time list in steals with 165.

INDIVIDUAL ACCOMPLISHMENTS of note by SSC players since 1977

1975-78 Another SSC player capping off a fine career was Terry Neville. Neville finished her three year stint with the She Gulls with 582 points, and 480 rebounds plus. Neville was a key threat in the Gull backcourt during their march to Nationals in 1976-77, and like Knight, proved to be very valuable assets behind Gail Tatterson.

1977-78 Another freshman standout arose in the likes of Kim Keene for the Gulls. Keene scored over 200 points in her last 15 games, scoring 228 in 23 contests, plus pulling down 149 rebounds to compliment Knight and Neville in the She Gull scoring attack. However, like several freshman standouts before her, Keene transferred the next season, leaving a void in the SSC offense.

1977-81 Probably one of the better un-sung players in recent She Gull history, Sissy Natoli became a well known figure in the She Gull line up in her four years at SSC. In 78 games, Natoli scored 639 points, grabbed 268 rebounded, contributed 216 assists, including 99 in 1980-81, was credited with 140 steals, 14 blocked shots, and a .578 lifetime free throw percentage. Despite leading the all-time list in turnovers with 351, Natoli is probably one of the better all-around players in recent SSC history.

1976-80 Although she probably never really received all the recognition she deserved, four year veteran Cindy Daugherty was a mainstay in the She Gull line playing in the shadows of Tatterson, Neville, Barb King, Robin Tyler, and Josie Harper during her career. In 80 games, Daugherty scored 515 points, pulled down 560 rebounds, 75 steals, and blocked 30 shots, including a lifetime field goal percentage of .424.

1978-80 Although only playing two seasons with the She Gulls, Robin Tyler's statistics are impressive. In 39 games, Tyler scored 428 points, pulled down 178 rebounds, 66 steals, 40 assists, and 23 blocked shots, shot a .412 clip from the floor, and .598 from the free throw line.

1978-82 One of the best free throw shooters in SSC history, four-year veteran Barb King ranks behind only Josie Harper and Gail Tatterson on the all-time SSC scoring list with 731 points. In 74 games, King is credited with 474 rebounds, 54 assists, 129 steals, 25 blocked shots, while shooting .727 from the free throw line.

INDIVIDUAL ACCOMPLISHMENTS of note by SSC players since 1979

1979-83 Rated as probably the best all-around player in SSC history, along with Gail Tatterson, is Josie Harper. In four years, Harper broke almost every scoring record in the book, breaking Tatterson's all-time scoring mark with 1293 points for a 17.5 points per game average. In 74 games, Harper took down an all-time record of 914 rebounds, including 304 her senior year, shot for a very respectable .458 average from the floor, making 554 of 1210 field goal attempts. Harper took 102 steals, 35 assits, plus an all-time record of 67 blocked shots. Harper also scored 25 points or more 14 different times, including a 37-point performance against UMES in 1982-83. Harper led SSC in scoring 48 times, including 17 of SSC's 18 games in 1980-81, and 19 out of 22 in 1982-83. An injury her junior year prevented Harper of becoming the second player to score 200 points/season for four years in a row (284, 389, 140, 480). Harper was also ranked in the top 10, NCAA Division III in both scoring and rebounding during most of the 1982-83 season, and earned All-American status on the Division III level.

1980-83 Behind Harper in three of four seasons was Pam Hopkins. Hopkins' three year career was very prosperous, with 435 points in 54 games, plus 441 rebounds (194 in 1980-81), 87 assists, 53 steals, and 12 blocked shots.

1978-82 Rated as one better all-around players by her coaches, Carolyn Huston played mostly a small role in SSC scoring attack, but along with Natoli, Huston proved very beneficial to the SSC frontcourt. In four years, Huston scored 429 points in 74 games, 179 rebounds, 107 assists, 105 steals, and shots .663 from the free throw line.

1979-83 Although playing mostly a back-up role her first two seasons, Pam Gonce contributed greatly to the SSC scoring attack in 1981-82 and 1982-83, capping her senior year with 216 points. One of the best field goal shooters in the school's history, Gonce hit 170 out of 386 shots for a .440 clip. Gonce scored 436 points, 357 rebounds, and stole 39 steals in her four years at SSC.

1981-84 A current member of last season's team, Shenise Eldridge is the only SSC player who has been on the team for more than two seasons, Despite only playing half of last season, Eldridge has 447 points in 47 games in three seasons at SSC. A good free throw shooter, she currently ranks fifth with a .693 clip. Eldridge has 232 rebounds, 74 assists, 75 steals and still has one more year of eligibility remaining at SSC.

SALISBURY STATE COLLEGE WOMEN'S BASKETBALL 1953-1984

INDIVIDUAL ACCOMPLISHMENTS of note by SSC players

1982-84 Probably one of the best guards in SSC history, Diana DeJesus has made her mark both offensively and defensively for the She Gulls. With two years of eligibility left, the DeJesus has scored 274 points, 149 rebounds, 152 assists, 75 steals, 10 blocked shots, and his presently shoting for a .401 field goal percentage.

1983-84 Another SSC player to look out for in 84-85 is Sara Marvel. The transfer from Delaware had a tremendous junior year for the She Gulls, scoring 351 points, taking down 201 rebounds, while shooting .437 from the floor, and .734 from the line, plus blocking 11 shots.

1983-84 Along with Marvel was freshman standout Kim Fiedler. Fiedler was a close second in scoring with 349 points, taking in 145 rebounds, 64 assists, 44 steals, while playing in all 26 games as a starter. Fiedler hit .394 from the floor, and 70 percent of her foul shots.

1983-84 Another transfer leading the SSC attack was Oz Posey, who played with UMES two seasons ago. Posey scored 222 points, and brought down 149 rebounds to help the Gull attack.

1983-84 Two more SSC freshmen stood out in 1983-84, breaking existing SSC season marks. Tracy Mayland broke Sissy Natoli's assist record of 99 with 100 assists her freshman year. Mayland scored 118 points, took down 53 rebounds, and had 26 steals. Another freshman record-breaker was Angie Bates. Bates broke Gail Tatterson's 29 blocked shots mark with 40, despite playing mostly a reserve role most of the season. Bates also broke a single game record with five blocked shots against Emmanuel in the Catholic Invitational. Bates scored only 57 points, but did take down 83 rebounds to play an important back-up role for the She Gulls.

SALISBURY STATE COLLEGE WOMEN'S BASKETBALL HISTORY

SPECIAL THANKS:

To Mariunna Morrison, for the use of past scorebooks (1953-1972, 1973-1983) from previous Salisbury State College women's basketball teams. Plus a wealth of additional material to aid in my research.

To Dennis Bradford, for use of recent statistics and records to update and verify any missing information.
To the SSC Sports Information Department, for the use of their files

To the Maryland Room of the Blackwell Library at SSC, for the use of old yearbooks (1926-1983), campus newspapers, and other related material.

To Mrs. Hilda Anderson, from Catonsville Community College for providing missing box scores of their games against SSC.

To Milla Sue Wisecarver, from James Madison University, and Terry Bowser of Loyola College for providing missing information of previous games against SSC.

To Dr. Allen Smith, and Lou Ann Daly for their support in my efforts to research the women's sports programs at SSC.
